Sales Tips!

Contact friends, family, co-workers, teachers, and neighbors. Don't forget about family and friends of former crew members. Don't be shy! (but don't sell door to door alone).

People LOVE plants from Sabellicos. The greenhouse has a great reputation, so make sure customers know where the plants come from. Many customers may want more than one plant because this is a convenient way for them to purchase for THEIR families and friends.
