

ONE CALL NOW SIGN UP

Dear Parents,

The Board of Directors and Coaching staff of Arlington Rowing Association, Inc., in an effort to obtain a higher level of communication between the organization and our parents, has decided to continue to use the **One Call Now** service to provide fast message distribution to our members. If you wish to be included in this roster, please fill out the attached form and return it as soon as possible. **The intended use of the service will be to provide information about last minute changes in practice or race schedules as well as notification to families when the team is returning from away races (Spring Season).** If you wish to view more information about One Call Now you can visit their web site.

We are asking that each family designate **ONE phone number for a PARENT CONTACT** to be dialed directly in the event that the club or coaches need to get in touch with a parent if there is a change in schedule, or when the team is arriving back at the school from a race. Please provide one phone number that will be readily accessible during those time periods. In the future we may expand the service to include more numbers, but at this time we ask you provide us with the best number possible.

Thank You,  
Arlington Rowing Association, Inc.
